On analysing the IMDB data set for RSVP movies we find that

- We see that the number of movies being produced are decreasing when compared yearly.

- Another important number that we found was 4285 which was the number of grama movies which seems to be the most popular to the further emphasis the point we see that 2019 alone the total number of drama movies produced was 1078

- We also see that James Mangold was the best director with the highest number of superhit movies.

- The top three genres of movies were action, thriller and drama all of which James Mangold was able to direct superhit movies.

- 20th century Fox and star cinema are two production houses that have produced the greatest number of multilingual movies and Marvel studio 20th fox and Warner Bros are three production houses that have received the greatest number of votes for their movies.

- On taking into consideration the total number of votes and average rating of the movies released in india the best actor and actress to cast in Vijay Sethupathi and Taapsse Pannu.
